Thank You for Your Service John Lewis

GRICUA would like to thank John Lewis for his 10 years of service on our Board of Directors. Mr. Lewis was elected to serve as Board Chairman for nearly his entire tenure at GRICUA. Mr. Lewis studied Civil & Environmental Engineering at Stanford University, where he completed undergraduate and graduate coursework. Mr. Lewis has tirelessly given his time and resources to help GRICUA. Mr. Lewis attended and presented on GRICUA's behalf at numerous organizational conventions. Some of them include the Department of Energy (DOE), National Rural Electric Cooperatives Association (NRECA), American Indian Science and Engineering Society (AISES), Reservation Economic Summit (RES), and Native American Finance Officers Association (NAFOA). John was instrumental in establishing our Youth Programs, particularly the STEA³M Summer Program. The Science, Technology, Engineering, Arts, Architecture, Agriculture and Mathematics program brings together students in the 5th-8th grade to explore and learn more about these diverse subjects. We wish John much happiness, good health, and success in his future endeavors.

Pre-Pay Metering Program

GRICUA's Pre-Paid Metering Program (PPMP) is a new way of paying for your electricity. The PPMP offers GRICUA customers an opportunity to pay in advance for electricity, manage energy use and conserve energy. Studies have shown that pre-pay accounts help customers use less electricity, saving them money. Customers will pre-pay for their electricity and receive daily text or email notifications of the amount used and balance remaining on their account. Be IN CONTROL with a GRICUA Pre-Pay Account.

GRICUA Will Alert You When Your Account:

- Has fallen below your requested threshold balance and when you successfully make a payment.
- Is eligible for disconnection, has been disconnected, or has been reconnected.

GRICUA customers can enroll in our PPMP by calling our Customer Service Department at (520)796-0600. You will need to settle your account balance and make a minimum \$10 payment. See Terms and Conditions on our website at www.gricua.net. Forms can be downloaded from GRICUA's website, emailed to our customers or obtained at our office.

Bill Payment Options for GRICUA Residential Customers:

- GRICUA Drop Payment Box
- Online (VISA and Mastercard Credit/Debit Cards and E check)
- GRICUA Mobile App
- By phone (520-796-0600, 24 hours a day)
- By mail (6636 W. Sundust Rd., Box 5091, Chandler, AZ 85226)

Technical Training Program

GRICUA has established a 12-month long Technical Training Program (TTP) for GRIC Community members interested in electrical utility industry careers. The program is designed to build general knowledge of the electrical utility industry and make TTP trainees eligible for apprenticeships and permanent fulltime technical positions at GRICUA. This is a paid 12-month work/study training program. Visit www.gricua.net for more info.
