**January 18, 2021 – Martin Luther King Day**

**February 15, 2021 – President's Day**

## GRICUA Website Redesigned

We are pleased to announce the launch of our redesigned website! After months of hard work and dedication, we are delighted to officially announce the launch of our redesigned website on January 19, 2021! Our goal with the redesigned website is to provide our visitors an easier way to learn about our services and programs. The redesigned website is creative, interactive and gives better access to web pages. We will be constantly updating our content with helpful information, newsletters and company announcements. We hope you find the redesigned website pleasing to the eye and easier access to information about GRICUA. We wish to establish this website as a source of information for those who visit our site.

## Disconnects Suspended

Just a reminder that even though GRICUA has temporarily suspended disconnects for non-payment during the COVID-19 pandemic, **you are still responsible for paying your bill on time** for the power used. Any non-payment or payments less than the full amount will result in those charges being added to the next bill statement. GRICUA urges those customers that are having trouble paying their bills to call (520)-796-0600 and speak with a GRICUA Customer Service Representative (CSR) about establishing a payment plan to bring your bill current.

Please note that customers will continue to receive disconnect notices as a reminder of past due balances.

## Virtual STEAAAM Program

GRICUA is now including Kindergarten - 4<sup>th</sup> grade in the Virtual STEAAAM Program. If you would like to register your child, please visit [www.gricua.net](http://www.gricua.net) for registration form. The STEAAAM Program is now open to Kindergarten - 8<sup>th</sup> grade. GRICUA's STEAAAM (Science, Technology, Engineering, Architecture, Agriculture, Art and Math) Summer Program provides students in the K - 8<sup>th</sup> grade with STEAAAM based activities that they are able to complete right at home using household items. Each month GRICUA will post an activity on Facebook and its website. Students who complete all 3 projects in a quarter will earn a free STEAAAM activity kit, a \$25 gift card and 4 general admission tickets to the Arizona Science Center. Registration is open all year. Please visit our website for more information.
